

Dear RSRMO Members / Dear Friends,

We take great pleasure in inviting you to the **2017 Best of ASTRO Romania RSRMO Conference**. This is our second officially licensed Best of ASTRO Meeting that is organized in Romania by our professional Society, together with our traditional partners: The Oncology Institute “Prof. Dr. Ion Chiricuță” and the University of Medicine and Pharmacy “Iuliu Hațieganu”, Cluj-Napoca.

The Conference is being held on May 18-19, 2018, at The Oncology Institute in Cluj-Napoca. Our logistic partner is Event Consulting Agency and you can find supplementary information and register for the Meeting on their web site.

This Conference is a two-day meeting providing the most relevant abstracts from the 2017 ASTRO Annual Meeting. Attendees will be exposed at the the latest science in radiation oncology, with presentations of evidence-based and practice-changing clinical studies. Also, the Conference will be accredited with Continuous Medical Education points by the Romanian National Medical College.

Finally, I would like to express my gratitude to the RSRMO Board for the help in organizing this event, and also to all our colleagues and friends who accepted to sacrifice their time and effort in participating as lecturers.

Your presence at this Conference is important to us. We look forward to seeing you there.

Sincerely,

Ovidiu Coza, MD, PhD
